To: The Commission

**JOINT REQUEST FOR REVIEW**  
**OF DECISION OF UNIVERSAL SERVICE ADMINISTRATOR**

**STATEMENT OF INTEREST**

Cable Plus, L.P. and MultiTechnology Services, L.P. (collectively, "Cable Plus"), pursuant to section 54.722 of the Commission's rules,<sup>1</sup> and by their attorneys, hereby request Commission review of the Universal Service Administrative Company's ("Administrator" or "USAC") December 17, 1999 Statements of Account (the "Statements"). The Statements reflect USAC's effort to collect contributions to the Federal universal service program from Cable Plus based upon a judicially-invalidated formula that included Cable Plus' intrastate revenues from January 1, 1997 through December 31, 1998.

---

<sup>1</sup> See 47 C.F.R. § 54.722; Cable Plus files its Request with the Commission because this Request raises a novel question of fact, law or policy that is appropriate for review by the full Commission. The question for review in this petition has not been resolved under outstanding precedent and guidelines. See 47 C.F.R. § 0.291(a)(2).

## STATEMENT OF FACTS

On July 30, 1999, the United States Court of Appeals for the Fifth Circuit (the “Fifth Circuit”) reversed the portion of the Commission’s Universal Service Order (the “Order”)<sup>2</sup> that included intrastate revenues in the calculation of universal service contributions.<sup>3</sup> The Fifth Circuit based its decision upon section 2(b) of the Communications Act of 1934, as amended (the “Act”), which prohibits the Commission’s inclusion of intrastate revenues in the calculation of universal service contributions.<sup>4</sup> The Commission subsequently eliminated intrastate revenues from the universal service fund contribution base, effective November 1, 1999.<sup>5</sup>

On December 8, 1999, following a telephone call between its counsel and the Administrator, Cable Plus filed Form 457s for determination of its universal service contributions for the 1997 and 1998 calendar years, and a Semi-Annual 1999 Form 499-S to make such calculations through September 1, 1999, along with checks in the aggregate amount of \$427,542 for retroactive payment of its universal service contributions.

In its cover letter for the filing, Cable Plus stated that, in light of *Texas Office* and the *Remand Order*, it calculated its contribution amount solely upon interstate and international revenues.<sup>6</sup> USAC responded on December 17, 1999 with its Statements for an additional \$292,314.98, an amount based entirely upon Cable Plus' intrastate revenues, to be paid by January 14, 2000. Cable Plus now requests the Commission to review the Administrator's action.

### **QUESTION PRESENTED FOR REVIEW**

Whether Cable Plus is absolved from making universal service contributions for the period January 1, 1997 through November 1, 1999 calculated pursuant to the Commission's invalidated rule that included Cable Plus' intrastate revenues because that rule was invalid *ab initio* pursuant to the Fifth Circuit's decision in *Texas Office* and federal law.

### **STATEMENT OF RELIEF SOUGHT AND DISCUSSION**

Cable Plus requests that the Commission void USAC's Statements. *Texas Office* eviscerated the validity of USAC's Statements. USAC and the Commission lack the jurisdiction to collect Federal universal service contributions from Cable Plus based upon its intrastate revenues. Furthermore, case law dictates that this lack of jurisdiction precludes USAC and the Commission from seeking retroactive universal service contributions from Cable Plus based on its intrastate revenues.

---

<sup>6</sup> See Filing of Cable Plus Company, LP and MultiTechnology Services, LP, December 8, 1999, a copy of which is attached hereto as *Exhibit One*.

A federal appellate court decision “establishes the law binding further action in the litigation by another body subject to its authority.”<sup>7</sup> This principle, known as the law of the case doctrine, also applies to administrative agencies.<sup>8</sup> The Commission, as an administrative agency, and USAC, as the permanent Administrator of the federal universal service support mechanisms subject to the Commission’s review,<sup>9</sup> are subject to the Fifth Circuit’s authority, and are bound by the mandate issued in *Texas Office*.

*Texas Office* reversed the portion of the Order that included “intrastate revenues in the calculation of universal service contributions” because the Commission lacked jurisdiction to include intrastate revenues in its calculation.<sup>10</sup> The Fifth Circuit did not remand the intrastate portion of the Order back to the Commission for reconsideration, as it did the issue of interstate carriers’ international revenues.<sup>11</sup> Rather, the Fifth Circuit held that the Commission never had the jurisdiction to promulgate such a rule.<sup>12</sup>

<sup>7</sup> *Cleveland v. Federal Power Comm’n*, 561 F.2d 344, 346 (D.C. Cir. 1977) (“*Cleveland*”); *see also Iran Air v. Kugelman*, 996 F.2d 1253, 1262 n. 12 (D.C. Cir. 1993) (quoting 18 Charles A. Wright et al., *Federal Practice and Procedure* § 4478 (1981)) (“[l]aw of the case [doctrine] . . . express[es] the principle that inferior tribunals are bound to honor the mandate of superior courts within a single judicial system.”).

<sup>8</sup> *Cleveland*, 561 F.2d at 346; *see In re Wella A.G.*, 858 F.2d 725, 728 (Fed. Cir. 1988) (*citation omitted*) (“[R]ule [that a lower court cannot deviate from the mandate of an appellate court] is equally applicable to the duty of an administrative agency, such as the [Commission], to comply with the mandate issued by a reviewing court”).

<sup>9</sup> *See* 47 C.F.R. § 54.701(a).

<sup>10</sup> *Texas Office* at 448.

<sup>11</sup> *Id.* at 449.

<sup>12</sup> *Id.* at 448.

Thus, the Commission never had the authority to include intrastate revenues in carriers' universal service contribution calculations, and the Administrator does not have the authority to bill Cable Plus for universal service contributions based upon its intrastate revenues since 1997.

When remedying a legal error, the Commission must "put[] the parties in the position they would have been in had the error not been made."<sup>13</sup> Moreover, "[t]he measure of the retroactivity that the Commission must grant to cure its legal error is the time elapsed between its wrongful [action] . . . and the time it cured that error."<sup>14</sup> Considering this precedent, USAC and the Commission lack the jurisdiction to request federal universal service contributions based upon Cable Plus' intrastate revenues.

The Commission committed a legal error in 1997 by exceeding its jurisdiction when it included intrastate revenues in its universal service contribution formula.<sup>15</sup> Considering this error, the Commission must put Cable Plus in the position it would have been in had the Commission never exceeded its jurisdiction. This means that USAC, and the Commission, cannot collect or request payment into the federal universal service fund from Cable Plus based upon Cable Plus' intrastate revenues.

<sup>15</sup> *See Texas Office* at 448.

Furthermore, “the measure of the retroactivity” of the Commission’s legal error extends to the time of the legal error,<sup>16</sup> which in this case is May 8, 1997, the date the Commission promulgated its universal service rules. It is well-settled under federal law that an act occurring in violation of a statutory mandate, such as section 2(b) of the Act, is void *ab initio*.<sup>17</sup> Thus, the Commission’s inclusion of intrastate revenues in its universal service contribution formula, and USAC’s enforcement of same, was invalid *ab initio*. As such, USAC and the Commission cannot seek contributions to the federal universal service program from Cable Plus based upon its intrastate revenues, and the Commission must void the USAC Statements.

In the aftermath of *Texas Office* and its *Remand Order*, the Commission received requests for refunds of universal service contributions paid to USAC based upon the invalid intrastate revenue formula.<sup>18</sup> Commission precedent supports these requests. The Commission has refunded fees that it collected pursuant to fee schedules that the courts subsequently invalidated.<sup>19</sup> Whatever the Commission’s decisions concerning the pending refund requests, USAC and the Commission do not have authority to collect universal service contributions from Cable Plus based upon Cable Plus’ intrastate revenues after the mandate of *Texas Office*, and its own *Remand Order*.

### **CONCLUSION**

As demonstrated *supra*, *Texas Office* and federal case law dictate that USAC and the Commission do not have the authority, and never had the authority, to require Cable Plus to contribute to the Federal universal service program based upon Cable Plus' intrastate revenues. For the foregoing reasons, Cable Plus respectfully requests the Commission to void USAC's Statements.

Sincerely,

CABLE PLUS, L.P. and

Re: Cable Plus Company, LP, TRS No. 819540  
 MultiTechnology Services, LP, TRS No. 819542

Dear Ms. Harter:

In the course of a regulatory compliance review of Cable Plus Company, LP ("Cable Plus") and MultiTechnology Services, LP ("MTS"), it was determined that the companies were not in compliance with certain FCC-mandated revenue reporting and fund contribution requirements, including the recently created Universal Service Fund. To rectify this situation, and further to your instructions during our phone conversation November 27<sup>th</sup>, we hereby file on behalf of Cable Plus and MTS FCC Universal Service Fund Worksheets (Forms 457 and 499-S) reporting revenues retroactively for 1997-1999 in compliance with the Universal Service program requirements:

1. Calendar 1997 Form 457 (filed as of March 31, 1998);
2. Calendar 1998 Form 457 (filed as of March 31, 1999); and
3. Semi-Annual 1999 Form 499-S (filed as of September 1, 1999).

Also enclosed are checks drawn on each company's account in the aggregate amount of \$427,542 that we have calculated to be due retroactively on the basis of interstate and international revenues alone. Based on the decision of the Fifth Circuit Court of Appeals in *Texas Office of Public Utility Counsel v. FCC*<sup>1</sup> and the Commission's October 8, 1999 Order on Remand from that decision,<sup>2</sup> Cable Plus and MTS respectfully submit that any assessment based
